Reinforcements Rushed to Occupation Units; Reichswehr Merciless in Ruhr

Risk district the "Temps" declares:

"It is certain that the advance of the Reichswehr into the forbidden tone resulted from pressure by the militarist party upon the Berlin government. Commissioner Severing has to declared in unequivocal terms to certain persons in the Rubr region."

The Mayence advices to the newspaper and that 10,000 additional refugees from the Rubr insurgent forces have arrived in the British zone of secupation, where they will be in-

lies and the United States to withdraw from the city that started the trouble. "You've got to get out!" the crowd cried to the Senegalese troops who were patroling in front of the guardhouse on the square. The soldiers also were tsunted and jeered.

A French officer ordered the crowd to disperse, and when the order was ignored a machine gun was brought into play. Disturbances also occurred in

Frankfort Rule Tightens went up the main street toward the scene. Troops with fixed bayoners cleared the way, and a rear guard fol-

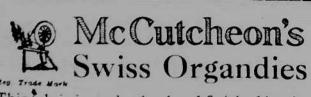

evening after the street a proclamation stating es during the day were tions by the appulation.

Trains were continuing to run, but as no one was allowed to leave the city without the permission of the French there was little outgoing passenger traffic.

at the troupes daring and avoid contact with the rench troops.

Another appeal signed by the President of the provisional local government, Herr Coseman, Prefect of Police Ehler and Burgomaster Voigt, and the provisional deal government of the provisional local government, and the provisional local government of the provisional local government, and the provisional local government of th
